

GISA Board Workshop & Volunteer Orientation

Saturday, February 16, 2008

GISA Networking & Idea Exchange

Girls Inc of Southern Arizona's Board of Directors participated in a half day **Board Workshop** session followed by a special **Volunteer Orientation** on Saturday, February 16, 2008 from 8:30 a.m. until 2:00 p.m. The back-to-back meetings were held at the Tucson Volunteer Center at 924 N Alvernon Rd in Tucson. Special guest presenter was Barbara Dowd, from Girls Inc. National. The inter-active meeting was coordinated by Marcia Jakob, Volunteer Coordinator.

The orientation session was planned for Board, new volunteer candidates as well as "seasoned" GISA volunteers. Volunteer Appreciation Awards were presented to Paula Corette-Fay (for graphic design work), Cynthia Flores-Ybarra (for community outreach and program facilitating), Kim Johnson (for volunteer recruitment) and to Aimee Poll (for program coordination and facilitating).

Board Members and Committee Chairs presented an overview of respective committee plans and volunteer needs for projects scheduled during first half of 2008. It was a successful networking event and exchange of ideas, leaving attendees energized and committed to upcoming events.

Thanks to all who participated and gave freely of their time on a busy President's Day weekend.
